

## WEEE2 Compliance

### **DIRECTIVE 2012/19/EU 4 July 2012 on Waste Electrical and Electronic Equipment (WEEE2)**

The Waste Electronic and Electrical Equipment Directive (WEEE2) places rules upon manufacturers of electrical and electronic equipment intended for sale in the EU. The Directive's aim is to reduce the impact that electronic devices have on the environment and reduce or eliminate any going to landfill.

Michell Instruments Ltd is in full compliance with the WEEE2 Directive and is registered with an approved recycler (Registration No. WEE/JB0235YW) and treats the requirement of the Directive and the protection of the environment with the utmost importance. All Michell Instruments Ltd products are marked with the Wheelie Bin logo indicating their requirement for appropriate recycling.

Customers may be required to return certain instruments for treatment at the end of their working life.
